ARMORED FISH

You sent me a fish
I take care of it
You made me a wish
I wanted to eat

I will never get back
Don't follow the track

This is my skin
This is my will
This is my sin
Let's go to swim

Then
we'll face the blood
after the flood

I love the heck out of you
I'm an old fashioned book

Part of the time I'm in my room
Part of the time I know who I am
Fish are the big blur blue
Part of the time I'll keep on for you

Armored Fish
who are you?

(Fernando Gacin, for Ivi)
